THE OFFICIAL INSIDE STORY

BY STEVE CLARK

Foreword written by
Dragons' Den's
Theo Paphitis

Only Fools and Horses - The Official Inside Story takes us behind the scenes to reveal the secrets of the hit show and is fully authorised by the family of creator and writer John Sullivan.

This engaging tribute contains interviews with the show's stars and members of the production team, together with rarely seen pictures. Written by Steve Clark, the only author on set for the filming of *Only Fools and Horses*, spin-off *The Green Green Grass* and prequel *Rock & Chips*, the book gives a fascinating and unique insight into this legendary series.

"I was delighted to be asked to write the foreword for *Only Fools and Horses - The Official Inside Story* because I absolutely love *Only Fools*," says Theo Paphitis. "It was a brilliant series, superbly written by its creator John Sullivan, and I think it very much deserves its place in television history as one of the cleverest and funniest comedies ever made. It's always been a big part of my life - and that of my family because it was great family entertainment - for as long as I can remember and however many times I see the episodes, they still always make me laugh."
