The Wit & Wisdom of

Foreword by **Sir David Jason**

Fans of Britain's best-loved sitcom *Only Fools and Horses* can re-live their favourite one-liners from the show in a brand new book, *The Wit and Wisdom of Only Fools and Horses*, which has a foreword by comedy legend **Sir David Jason**.

The new book has been compiled by **Dan Sullivan**, son of *Only Fools and Horses* creator John Sullivan OBE. It is a collection of the best quotes and one-liners from the show, which have been brought together for the first time making it a perfect stocking-filler for Christmas.

Sir David Jason says: "To pay homage to the wit and wisdom of the brilliant dialogue and comic lines in *Only Fools and Horses* is really a massive tribute to the writer and my dear friend, John Sullivan.

"With John's untimely death in 2011, I am more than happy to applaud his comic genius and talents through this very funny and insightful book. As I once acknowledged at a BAFTA evening, John gave me the ammunition and I fired the gun and I know the rest of the cast felt that too."

"This book contains the very best of John Sullivan's brilliant lines and we're absolutely delighted that Sir David Jason has generously written a foreword to the book," says Splendid Books' Publishing Director Steve Clark.
