

# BOND 50

**BOND 50** marks the debut of nine James Bond films previously unavailable in high definition Blu-ray and comes with a dossier of more than 122 hours of bonus features.

Set for release just prior to the theatrical premiere of *SKYFALL*, **BOND 50** will offer a look at the latest Bond film through videoblogs shot with the cast and crew. The **BOND 50** collection also provides two all-new pieces that spotlight the history of 007. “The World of Bond” takes a look at the style and attitude that is signature to Bond; pulling together the cars, the women, the villains and the music that have been a staple of these films for the past 50 years. “Being Bond” profiles the six distinguished actors that have had the honor of portraying 007.

Additional bonus content in the **BOND 50** collection includes cast and crew commentaries, the behind-the-scenes making of each film, in-depth interviews with every actor that played Bond, a closer look at the exotic locations as shot on-the-set, the women of Bond, the villains of Bond, Bond’s cars and gadgets, music videos and much, much more!

## Special Features:

- **DISC TWENTY THREE – Bonus Material**
  - ***NEW – The World of Bond*** – the 007 films have a look, style and attitude that is signature Bond. From the cars, to the women, to the villains and even the music, Bond films stand apart. *The World of Bond* takes the viewer through the best of five decades worth of classic James Bond in one thrilling montage. *The World of Bond* showcases the fascinating and entertaining interplay among unforgettable moments of danger, seduction, adventure and a dash of that distinguished humor that fans have cherished from the beginning up until now. To add to the experience, *The World of Bond* featurette will also offer a Pop-Up Trivia option to challenge even the sharpest of fans with little known facts and interesting trivia from the Bond Universe.
  - ***NEW – Being Bond*** – there’s only one James Bond – but he’s proven too much for only one actor to play the role. In the franchise’s 50-year run, six distinguished actors have taken on the part and secured a spot in cinematic history. Sean Connery, George Lazenby, Roger Moore, Timothy Dalton, Pierce Brosnan, and Daniel Craig each reflect on the impact and importance of taking on such a famous role. With this piece, gain insight into what each actor brought to the character and discover how they shaped the world’s most timeless secret agent.
